**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast and incumbent internet providers can look out for their bottom line, but they shouldn't get to be monopolies by default.

There needs to be more robust regulation of these massive internet utility companies.

Please act for real people, not companies who are "people."

Thanks,
